

**IF YOUR KNIFE GATE VALVE PACKING IS NOT CUTTING IT...
SEPCO HAS A SOLUTION!**

SEPCO STYLE DS 6225

SEPCO STYLE RV 2225

Our special braiding process for knife gate valve packing makes it easy to install. Its construction allows for a tighter fit around the knife gate which reduces leaks. Style DS6225 and style RV2225 is designed for a long life thus reducing down time and maintenance costs.

Certified to ISO 9001: 2000 Standards. Specialists in Quality Fluid Sealing Solutions.
